SPECIAL FILMING CONDITIONS
16711 BOSQUE DRIVE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Arrival prior to 7 a.m. or departure later than 10 p.m. is strictly prohibited** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.
- **Cast and crew are not permitted to park on area streets.** Off-street parking must be provided for personal vehicles.
- **Production equipment parked on area streets is limited to a maximum of 7 production vehicles.** Equipment must be parked on *one side of the street only.*
- **"No Parking" signs should be posted both sides of the street where equipment is to be parked to ensure sufficient room for traffic to pass by.**
- **Production companies must erect signs warning motorists approaching from both sides. The signs should read, "Slow, Filming Work Ahead".**
- **At least one police officer is required at the location.** This officer's primary responsibility is to ensure the safe flow of traffic past the location. An additional officer is required when more than three (3) production vehicles are parked on the street.
- **Sidewalks must be kept clear of all equipment at all times so that pedestrian traffic is not impeded.**
